Meet Artist Deborah Conn on FIRSTfriday! Stifel & Capra will host the opening reception for Deborah's exhibit of New Works, which will be on display for the month of December. Enjoy refreshments and peruse the new art and artisan finds.

Deborah Conn works in water media and collage, with a focus on portraits and figurative work, but she paints still lifes, animals, florals and an occasional abstract piece as well. Several works in the show are watercolor monotypes, a process she teaches in workshops at Stifel & Capra. Deborah also shows at the Gallery Underground in Crystal City and the Art League Gallery in Alexandria, in addition to local and regional exhibits.
